SCREEN TO SCENE

Dear participants,

You were all informed about our brand new activity, specially designed and set up for you: a series of free « **Screen to Scene** », held over 3 days at the cinema *Les Toiles du Lac* in Aix les Bains – only 100 metres from the festival site.

These sessions are designed as a moment to pause, learn, reflect, and connect.

Following your votes, we selected your **6 favourite medical themes now added into the official programme** (cf page 3).

Each 1 hour session includes:

- ♦ **25 minute screening of the film United Ladies**
(watch trailer here)
- ♦ **25 minute medical talk** led by a specialist
- ♦ **10 minute Q&A** to ask your questions freely

A meaningful break in your festival journey – inspiring, informative, and entirely dedicated to you.

WHY REGISTER?

- **12 free sessions, in English**, created exclusively for festival participants
- A **programme shaped by your votes**
- A cinema located just **100 metres away from the race site**
- The perfect opportunity to watch the movie and enjoy a specialist talk before or after your training

TRANSPORTATION

1 transport journey, 2 activities: a training session and a « screen to scene » showing.
Make the most of the official transport journey to get to your training session and attend the movie & talks at the cinema while you are at the festival site.
